

Newcastle Hang Gliding Club Site Rules

All Sites

- Leave all gates as you found them.
- Prior to flying any site for the first time, all pilots must receive an on-site induction to the site to be flown by a Newcastle Hang Gliding Club Safety Officer.

Breakneck Ridge

- Minimum Pilot Ratings: HG Restricted, PG Restricted.
- Do not drive up either track if it has rained in the previous 2 days.
- A waiver form signed by the pilot must be given to a club officer.
- A Safety briefing must be held each day before flying.
- A Member of the Newcastle Hang Gliding Club or the Central Coast Skysurfers Club must be present on each flying day.
- Please limit the number of vehicles driving up to the top of the ridge to the minimum possible. Car pool from the bottom of the hill, and walk up to launch whenever possible.

Merewether

- Minimum Pilot Ratings: HG Restricted, PG Restricted
- Top landings only with SSO sign-off

Dicko

- Minimum Pilot Ratings: Local Advanced

Strezi

- Minimum Pilot Ratings: Intermediate

Monument

- Minimum Pilot Ratings: Intermediate

Hunter

- Minimum Pilot Ratings: HG Intermediate with Advanced supervision, not suitable for PG.
- Do NOT land in the old bomb-out without having given two days notice to the landowner.

Heaton SE

- Minimum Pilot Ratings: Advanced

Heaton NE

- Minimum Pilot Ratings: HG Novice with Advanced supervision, PG Advanced.
- When landing in front of launch, you must only land in the official bomb-out paddock marked with a windsock.
